Dear Les,

German Patent Application No. P 29 31 281.0-41  
Your Case: PM-662 - Our File: 24213

Referring to our telephone conversation of 12th October, 1982 on the present subject, I have sent a detailed discussion of the position to our German associates and asked them to consider the problem and make further recommendations.

It occurs to me that you may find some interest in the comments, and I should be grateful if you would draw my attention to any error that may have crept in. Accordingly, I enclose a copy of my letter of instructions.

Yours sincerely,

  
J. H. BASS
